Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Listed as "CA" in the enclosed PTO/SB/08 is a September 7, 2004 office action from the Japan Patent Office in connection with Japanese Patent Application No. 2000-117302, which is a foreign counterpart to this application. An English language translation of the September 7, 2004 office action is also enclosed herein and is listed as "CB" on the enclosed PTO/SB/08. Page 2 of the English language translation of the September 7, 2004 office action includes 4 (four) references within a "List of Publications." Two of these publications - JP07-123403 and JP09-219854 - are listed, respectively, as "BA" and "BB" on the enclosed PTO/SB/08. Additionally, a copy of each of these references, along with an English language Abstract thereof, is enclosed herein. The other two publications - JP11-018076 and JP10-285542 - included within the "List of Publications" are not listed on the enclosed PTO/SB/08 and copies are not provided herein. This is because the JP11-018076 and JP10-285542 publications were already made of record in connection with Applicant's August 9, 2001 Information Disclosure Statement with respect to this application.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

Dated: December 28, 2004

Respectfully submitted,

By
